JOURNAL — NOTES & LESSONS

GBPUSD · 2026-09-21 · London breakout
Clean break of the London range after NFP drift. Waited for the retest instead of chasing.
Lesson: Patience on the retest is what paid — chasing costs me.

XAUUSD · 2026-09-21 · Trend pullback
Shorted strength into resistance but the daily trend was still bullish.

BOOM500 · 2026-09-23
Averaged down on a spike — doubled the risk the plan allowed.
Lesson: Never widen risk on BOOM/CRASH. Cut it.
